ERWIN HEALTH CARE CENTER ANNOUNCES NEW LEADERSHIP

Erwin Health Care Center (EHCC) welcomes Jason Bennett as it's new Chief Executive Officer.

Mr. Bennett brings 30 years of long-term care experience to the position – including administrative and clinical expertise. Beginning his healthcare career as a respiratory therapist, Mr. Bennett knows first-hand the importance of quality care. Since 2001, he has led skilled nursing/ assisted living facilities until he took on his most recent role as Administrator at Foundation Park Care Center – a 125 bed skilled Memory Care facility in Ohio. Mr. Bennett is a proven executive leader who brings a wealth of knowledge and experience in developing strategic plans, promoting organizational mission, and driving operational outcomes.

Ms. Keith Bailey, Managing Partner of EHCC said, “We are so excited for this next chapter at EHCC. As an owner, I can assure the community we will continue to offer compassionate care to your loved ones. We feel this change in leadership will help to position the facility to become the premiere provider and preferred employer in the area.”

Erwin Health Care Center is a long-term care facility that serves Unicoi, Carter, and Washington counties. EHCC offers comprehensive skilled nursing services including a specialized Memory Care Unit that assists residents with memory, communication, focus, attention, reasoning, judgment, and visual perception. We proudly accept Medicaid and are currently accepting new residents.
